The diagram illustrates a dependency or data flow. On the left, there are two rectangular boxes. The top box contains the text 'DatiCovid.Director.Andamento Nazionale'. The bottom box contains the text 'DatiCovid.Director.Regione'. On the right, there is a single rectangular box with a light gray background, containing the text 'DatiCovid.IBuilder.ricoverati _con_sintomi'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating that both the national and regional data directors provide input to the recovery and symptom builder.
