The diagram illustrates a data flow or dependency. On the left, there are two white rectangular boxes. The top box contains the text 'DatiCovid.Director.Andamento Nazionale' and the bottom box contains 'DatiCovid.Director.Regione'. On the right, there is a single gray rectangular box containing the text 'DatiCovid.IBuilder.dimessi _guariti'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both the national and regional data directors feed into the builder's dimessi_guariti component.
