The diagram illustrates a data flow or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'DatiCovid.Director.Andamento Nazionale' and the bottom box contains 'DatiCovid.Director.Regione'. On the right, there is a single gray rectangular box with a black border containing the text 'DatiCovid.IBuilder.nuovi _positivi'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both the national and regional data directors feed into the new positive cases builder.
