

DatiCovid.Director.Andamento
Nazionale

DatiCovid.Director.Regione

DatiCovid.IBuilder.deceduti

```
graph LR; A[DatiCovid.Director.Andamento Nazionale] --> C[DatiCovid.IBuilder.deceduti]; B[DatiCovid.Director.Regione] --> C;
```

The diagram illustrates a data flow or dependency. On the left, there are two rectangular boxes. The top box contains the text 'DatiCovid.Director.Andamento Nazionale' and the bottom box contains 'DatiCovid.Director.Regione'. Both boxes have black borders. On the right, there is a single rectangular box with a gray fill and a black border, containing the text 'DatiCovid.IBuilder.deceduti'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating that both the national and regional data directors feed into the deceased data builder.
